WHY CHAMELEON?

Designed to reduce operation costs with increased functionality. When we design a rolling tarp, we keep in mind that you want to haul larger & heavier loads, keep your loads dry and have a system that opens and closes trouble-free. Chameleon's are designed to give you peace of mind and to save you money.

- SAFETY FIRST**
Our systems are fully operable without putting a foot on the trailer.
- HAUL LARGER LOADS**
The standard compact corners and un-intrusive tensioning system gives you the most load volume on the market.
- HAUL HEAVIER LOADS**
We minimize the weight of our systems so that you can maximize the weight of your load.
- REDUCE DOWNTIME**
The modular design of every Chameleon permits quick and easy repairs.
- KEEP YOUR LOADS DRY**
Be confident that the merchandise that you are hauling remains dry in the worst weather.
- INCREASE YOUR COMPANY'S EXPOSURE**
We strive to offer you good looking equipment & graphics that will uphold your company's image.
- INCREASE DRIVER SATISFACTION**
Retain your best Drivers with this easy-to-operate and reliable tarp system.
- CUSTOMIZE YOUR CHAMELEON**
We offer and design the accessories that you want & need (van doors, digital photo graphics, double lift bows & more).
- WE GUARANTEE**
We are so confident in the quality of our products that we offer a warranty of 18 months on all parts and labor.
- WE DELIVER INDUSTRY LEADING SERVICE**
No matter where you are or where you go, you are not very far from an authorized Chameleon Service Center.
