## WHY CHAMELEON?

Designed to reduce operation costs with increased functionality. When we design a rolling tarp, we keep in mind that you want to haul larger & heavier loads, keep your loads dry and have a system that opens and closes trouble-free. Chameleon's are designed to give you peace of mind and to save you money.

- 1 SAFETY FIRST**  
Our systems are fully operable without putting a foot on the trailer.
- 2 HAUL LARGER LOADS**  
The standard compact corners and un-intrusive tensioning system gives you the most load volume on the market.
- 3 HAUL HEAVIER LOADS**  
We minimize the weight of our systems so that you can maximize the weight of your load.
- 4 REDUCE DOWNTIME**  
The modular design of every Chameleon permits quick and easy repairs.
- 5 KEEP YOUR LOADS DRY**  
Be confident that the merchandise that you are hauling remains dry in the worst weather.
- 6 INCREASE YOUR COMPANY'S EXPOSURE**  
We strive to offer you good looking equipment & graphics that will uphold your company's image.
- 7 INCREASE DRIVER SATISFACTION**  
Retain your best Drivers with this easy-to-operate and reliable tarp system.
- 8 CUSTOMIZE YOUR CHAMELEON**  
We offer and design the accessories that you want & need (van doors, digital photo graphics, double lift bows & more).
- 9 WE GUARANTEE**  
We are so confident in the quality of our products that we offer a warranty of 18 months on all parts and labor.
- 10 WE DELIVER INDUSTRY LEADING SERVICE**  
No matter where you are or where you go, you are not very far from an authorized Chameleon Service Center.
